

# SPRINGFIELD LAKES

## HOMEOWNERS ASSOCIATION

As temperatures get warmer, remember our goal is to keep our community beautiful! To avoid HOA Violations, please make sure your flower beds and yards are free of weeds and that dead plants are replaced!

## PLANTING IDEAS

### MOST COMMON WEEDS

The most common weeds in our zone are Crabgrass, Dandelion, Sowthistle, and Spurge. You can use a corn gluten or herbicide to control the spread of invasive weeds!

### FOR ZONE 8A SUMMER GARDEN

Thyme  
Rosemary  
Sage  
Asparagus  
Beans  
Cantaloupe  
Eggplant  
Okra  
Peas  
Spinach
